· Diaper Drive To Do Checklist ·

Thank you for your support! We want to make it as easy as possible for you to succeed in your diaper drive. Here is a checklist of what you need to do to complete your drive.

Ask Permission

- Go to your boss, pastor, teacher, etc and ask if you can throw a diaper drive
- Prepare a short presentation on diaper need and why you want to do this

Pick a Theme

- Keep it simple: Anything from "kids helping kids" or do an event like "Stuff the..."
- Find a comprehensive list of **diaper drive ideas included in our tool kit**

Set a Goal

- This depends on the amount people you think will participate. If it is your whole school/church/organization set a higher goal. If it's your office of 10 people, maybe go lower

Choose a Start & End Date

- Usually from as short as one week to as long as a month
- Make sure you are able to pick up the diapers on the end date and get a total
- Have specific days throughout the drive where you plan to count the diapers and let people know how the drive is going (about 4 times throughout the drive)

Pick a Central Location

- Make it easy for people to know where to donate, such as a lobby or break room
- Label your bin clearly and colorfully. If you are in need of a bin we can provide one for you
- Put informative flyers in high traffic areas. You can find a **diaper drive flyer included in our toolkit** to advertise your drive

Rally the Troops

- Get a few volunteers to help you spread the word, pick up diapers, hang fliers, etc
- Have a list of tasks that you need help with so it's easy to delegate.

- Contact us to coordinate a day and time to deliver or pickup

Take Pictures and Share Your Success

- Like us on Facebook-@BundlesDiapers, Twitter-@BundlesDiapers, Instagram-bundlesdiapers and tag us when posting. Use hashtags #bundlesofhope #diaperneed #sharingHOPE
- Remember to take lots of pictures/videos to put on social media or give to your local paper. If you are doing this for a project, pictures from start to finish are important
- People will want to know how you did. Stack all the diapers together and take a picture with you and your friends/group/coworkers, etc. and the diapers. Put it on social media with the total and a thank you.
